Introduction: If you're in the process of setting up CoachMePlus or need to retrieve your installation access code, you're in the right place. This guide will walk you through the steps to find your CoachMePlus installation access code and ensure a smooth setup process.

Step 1: Check Your Email: Upon registering or subscribing to CoachMePlus, you likely received a welcome email (see below) containing important account information, including your installation **access code**.

- Search your email inbox for the subject line "**CoachMePlus Account Activation for...**" related to CoachMePlus registration and from the email address "**do-not-reply@coachmeplus.com**".

Hello Mike,

It's time to activate your account!

Please click the link below to set your new password and login to your account.

Your group code is "demo"

Your username is "

Step 2: Go To this link: Only if you are unable to access the original email with your access code then go to this URL: <https://login.coachmeplus.com> . Enter the email address used for your account and the CM+ system will send you an email with the Access Code that is affiliated with that email address.

You should receive an email similar to the one below:

Hello

[Redacted Name],

We searched the CoachMePlus Installations for teams you've already joined or are allowed to join, using [Redacted Email].

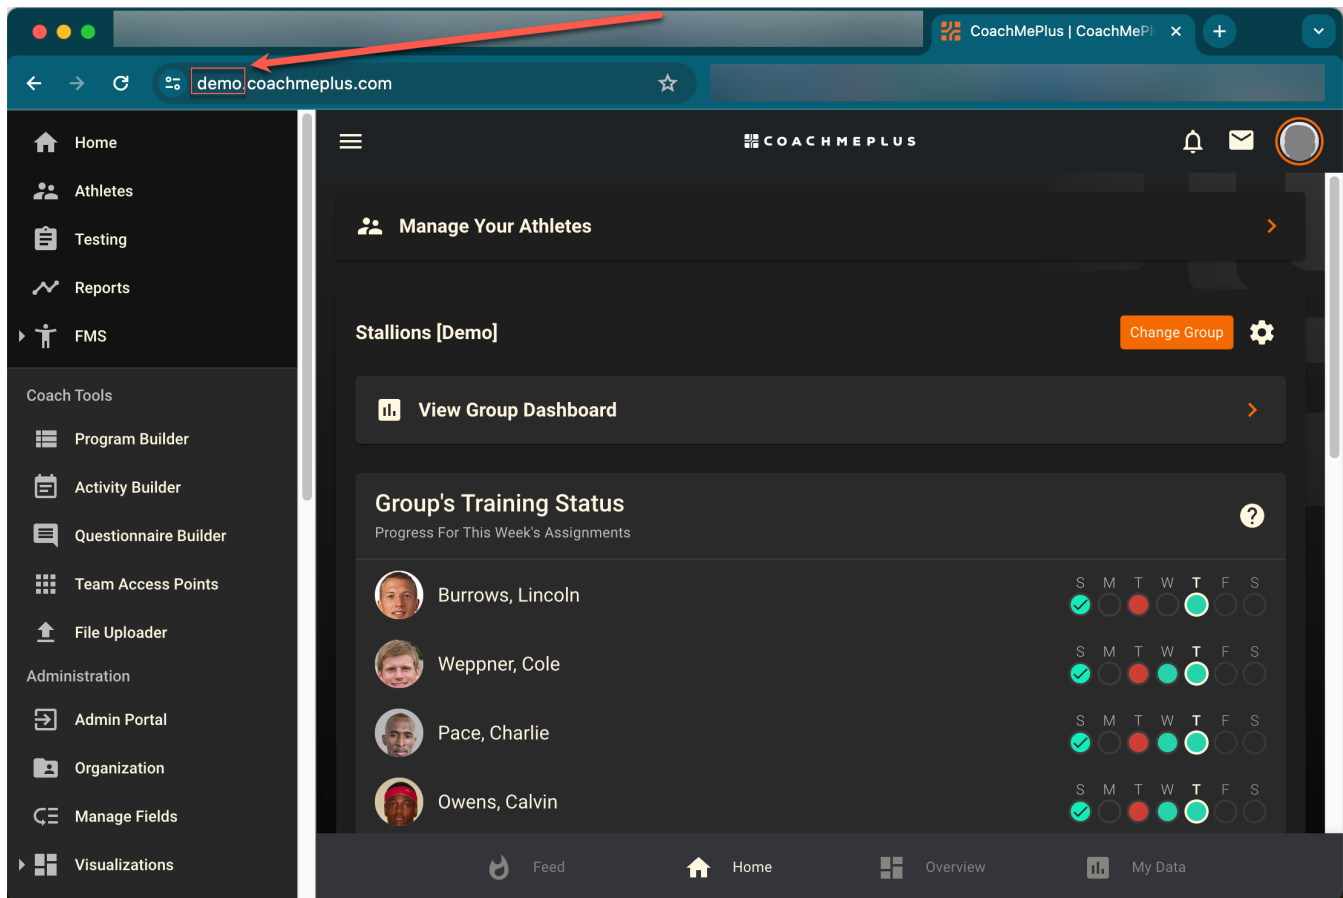

Below you may click on the button for the installation you'd like.

Step 3: Check browser URL of your CoachMePlus Account: Log in to your CoachMePlus account using your username and password. Once logged in, the Access Code can be found in the URL of the webpage prior to ".coachmeplus.com".

Step 4: Contact CoachMePlus Support: If you can't find your installation access code through email or account settings, reach out to [CoachMePlus customer support via email](#) and/or [Book a Meeting](#) if you any other specific questions. They can provide you with the necessary information and guide you through the process of retrieving your installation access code.

Step 5: Team or Organization Administrator: If you're part of a team or organization using CoachMePlus, contact your site administrator or reach out to [CoachMePlus customer support via email](#) and/or [Book a Meeting](#) if you any other specific questions. They can provide you with the necessary information and guide you through the process of retrieving your installation access code.

Conclusion: By following these steps, you should be able to locate your CoachMePlus installation access code. If you encounter any difficulties or have specific questions, don't hesitate to reach out to CoachMePlus support for assistance. They are there to ensure a seamless experience as you set up and make the most of your CoachMePlus platform.
