In this article, we will show you how to generate an **invite link** in the CoachMePlus platform, allowing you to text, email, or post your link in a common area to allow users to follow the link and create their profile. Once the user has made their profile, they enter a queue where they will await your approval into the platform.

Video Walkthrough:

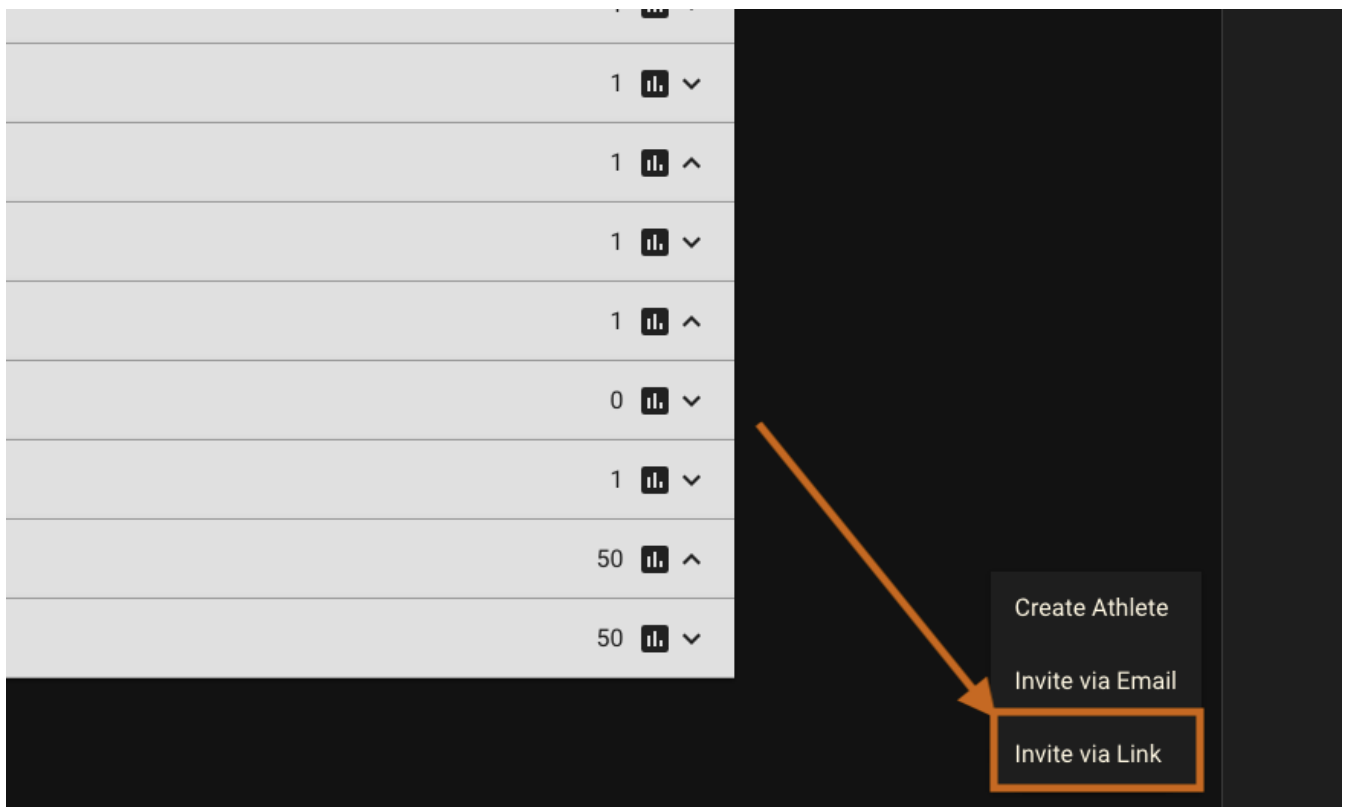

How To Add Multiple Athletes - Invite Via Link | FAQs + Help

Step 1: Open your Athletes List

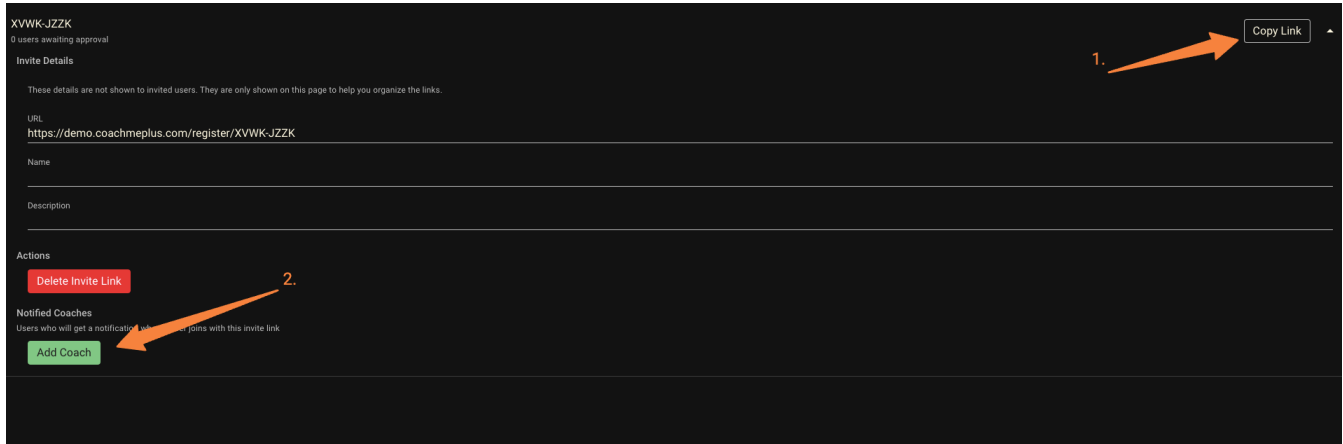

Step 2: Click "+ Athletes" then click on "Invite via Link"

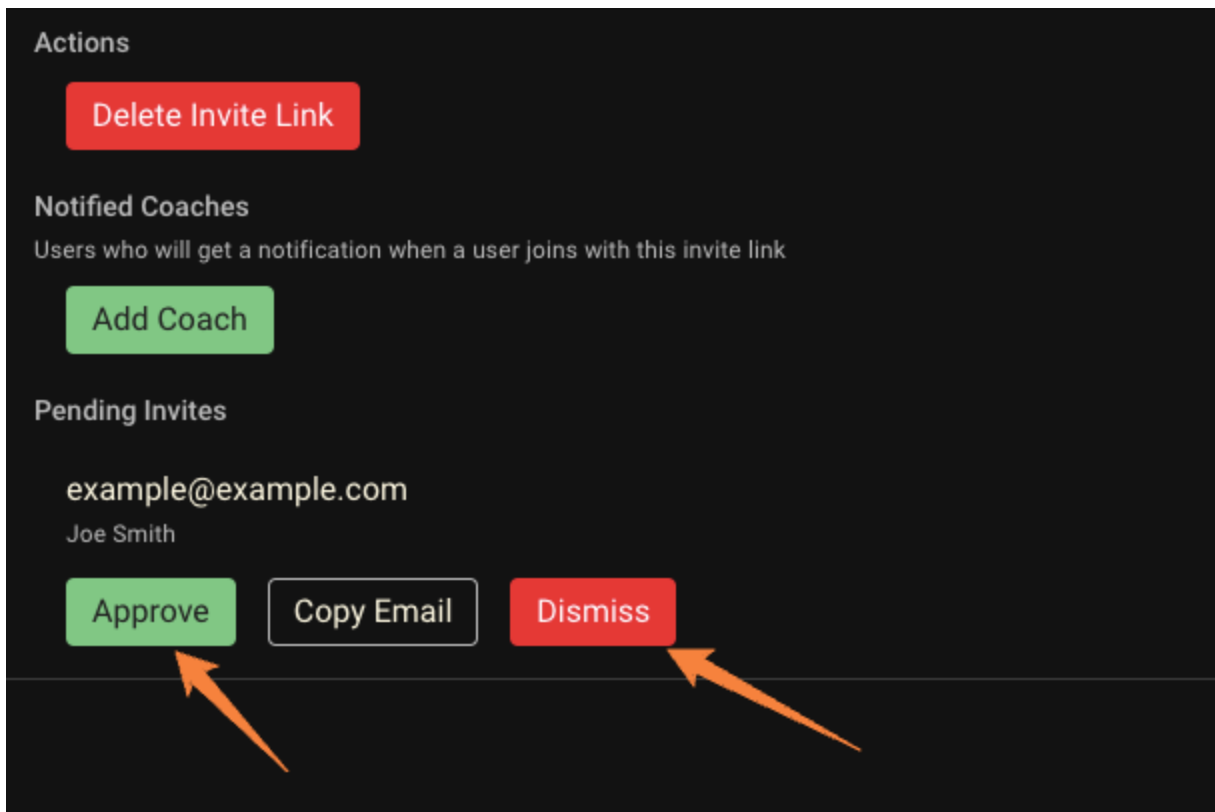

Step 3: Add a link to share

1. Adds a unique link to share with people so they can create a profile in your installation

2. Optionally, you can add a coach to be notified when users request to be added to the system

Step 4: Once Users have activated an account with the link, you can choose to **Approve** or **Dismiss** any requests to join your platform
